Technological University of Foobar

Department of Computer Science and Engineering

Welcome to the Department of Computer Science and Engineering at the Technological University of Foobar. You have come to the right place if you want to be a computer scientist, an IT engineer, or, if we may use some of the titles that are more common on the job market: a systems analyst, an application developer, a software programmer, a system administrator, a hardware engineer, a network specialist...

Study Programs:

But first things first: let's take a look at the study programs that are offered by our department:

Undergraduate Programs:
- Bachelor of Computer Science
- Bachelor of Software Engineering
- Bachelor of Information and Communication Technology

Graduate Programs:
- Master of Computer Science
- Master of Applied Computer Science
- Master of Software Engineering
- Master of Information and Communication Technology

You can visit the course catalog online at http://code.google.com/p/purepdf/ or order our DVD-Rom at this address:

Contact Address:

Technological University of Foobar Department of Computer Science and Engineering Foobar Document Valley 1 Foobar City Former Principality of Foobar foobar@bar.com

Faculties:

Our faculty also has a reputation for excellent research. For more info please visit the websites of our departments:
- Faculty of Computer Science
- Faculty of Software Engineering and Applied Computer Science
- Faculty of Information and Communication Technology

History:

The Department of Information Technology is the youngest department at our University. It emerged from the department of Engineering and the department of Science.
